ABOUT POWER OF THE PURSE

WHO WE ARE:

Celebrating our 25th Anniversary in 2023, the Women's Foundation of Arkansas (WFA) was launched in 1998 when two of our founders, Pat Lile and Olivia Farrell, saw the need for funding dedicated to investing in projects that support women and girls in our community. These women were instrumental in seeking out prominent female leaders from "Top 100 Women in Arkansas," where the idea for an organization for and by women was initiated. We strive to not only expand educational opportunities for women who do not have access to them, but also empower and equip women with necessary resources for emerging occupations, improve the economic status of Arkansas women, and promote research and advocacy to advance all Arkansas women.

In 1999, the first Power of the Purse Luncheon was held to announce the grants made possible to support these causes with donations from the original founders. WFA now holds this fundraising event each year to honor female leaders in our state and highlight WFA programs. This year's Power of the Purse Dinner will be held Wednesday, September 27, 2023, inside the Statehouse Convention Center.

HOW YOU CAN HELP:

We envision a state of equal opportunity – where women have a choice and a voice. However, this dream is unachievable without the monetary support of generous sponsors. This year, we are inviting you to become a sponsor prior to media coverage for this event and before we send invitations, e-newsletters and run advertising so that your name or company may be recognized for your support of Arkansas women and girls.
